

YOUNG NILES ARMY OFFICER CLEARED

TUNA BOAT ATTACKED: A San Diego-based tuna clipper, the San Juan, above, reported by radio Friday it had been hit by more than 60 rounds of machinegun fire during a chase by a Peruvian gunboat into Ecuadorian waters. The gunboat fled when other tuna boats attempted to ram it. Still another tuna clipper was seized and taken to a Peruvian port. (AP Wirephoto)

Peru Releases U.S. Tuna Boat

Incident May Lead To Cutoff Of Aid

By JOE MCGOWAN JR.

LIMA, Peru (AP)—The Peruvian government has released an American tuna boat captured in the Pacific Friday, but Washington sources said the incident could precipitate a cutoff of U.S. aid to Peru.

The American vessel Mariner was captured by a Peruvian navy gunboat which attacked a small fishing fleet more than 23 miles off the Peruvian coast. The skipper of another vessel reported his boat was peppered with machine gun fire before the gunboat was driven off.

No injuries were reported in the attack, which U.S. Secretary of State William P. Rogers called "wholly unjustified."

Peru's ambassador to the United States, Fernando Berckmeyer, said the American boats were operating in Peruvian waters without licenses. Peru claims territorial jurisdiction 200 miles out to sea, but the

United States considers any boat in international waters if it is more than 12 miles off the coast.

SKIPPER FINED

The Peruvian Naval Ministry said Friday the Mariner was released at the port of Talara after the skipper, Joseph Lewis of San Diego, Calif., paid an unspecified fine.

Skipper John Verissimo of the San Juan, one of the American fishing boats, said the Peruvian gunboat put five men aboard the Mariner.

"Then they came after us," Verissimo said in a radio-telephone interview. "They fired more than 50 shots at us. They tried to board us from the stern, but I outmaneuvered them."

The owner of both the San Juan and the Mariner, Ed Gann of San Diego, said he received reports that two other U.S. fishing boats went to the San Juan's rescue.

"They figured the only way to help the San Juan would be to ram the patrol boat," Gann said. "Then the patrol boat turned and ran."

August Felano, manager of the North American Association of Tuna Fishermen, said it was the second time this year that an American fishing boat had been fired on by Peru and the

Covert Residents Told: 'Get Together'

State Head Of NAACP Is Speaker

Blacks Invited To Meet With School Leaders

By JIM DONAHUE
South Haven Bureau

COVERT — A movement to organize a black citizens committee through the Van Buren chapter of the National Association for the Advancement of Colored People to examine racial problems in the Covert school system was launched here last night with a talk by Dr. Albert Wheeler, state NAACP president.

Speaking before a group of about 150 parents and youth at the First Baptist church, Dr. Wheeler of Ann Arbor, said he didn't feel that the situation at Covert high school, caused by a student black power salute on the basketball floor, was grave.

"It is wonderful that so many people have come out tonight," Dr. Wheeler said. "It shows you are concerned. Now let's turn this concern into some positive action."

'TALK TO BOARD'

Dr. Wheeler advised the parents to organize as a committee to meet with members of the local board of education, examine the educational conditions in the school for the black students, and make suggestions for correction and change.

"Talk to your board and explain that you are there to see that your school has an atmosphere of justice, democracy and hopeful aspiration for every child," Wheeler advised. "Any board member who does not listen to this request does not belong on the board and you can vote him out of office next time."

Before the meeting closed, LaFayette Patterson, county NAACP branch president, and citizen Charles Young announced that a group had met during the afternoon yesterday in Covert to draft a 10-point request for change in the local school system. Patterson said the list will probably be revised and altered after new suggestions and ideas are heard and that the list will eventually go before the local school board.

The list proposed such things as the introduction of Negro history classes, an examination of school administrative and teaching positions to insure equality and fairness for both school employees and students, a better understanding of school disciplinary rules by both students and parents, and the creation of a citizens committee to work with the Covert township board for better housing and improved water and sewage.

MORE SUGGESTIONS
Dr. Wheeler made suggestions for still more changes that he

ADC Father Ordered To Pay

A former Berrien county resident whose present whereabouts are unknown was ordered Friday in Berrien circuit court to pay \$25 weekly for the support of his two children receiving Aid to Dependent Children payments.

Dennis L. Clements, who did not appear for a hearing in a divorce case, also was ordered by Judge Karl F. Zick to pay \$10 weekly on child support arrearage of \$1,050.

St. Joseph Atty. Edward Yampolsky reported the two children were on ADC and that arrearage totaled \$1,050. This was verified by Berrien Friend of the Court John Schoenhals.

Clements' counsel, Niles Atty. Casper O. Grathwohl, was expected to send the divorce judgment and order of support to Clements' last known address.

Supervisors Cut Pay By \$3,000

MOUNT CLEMENS (AP) — Bowing to public pressure, Macomb County's supervisors Friday trimmed \$3,000 from their salaries.

But the supervisors, who voted 13 to 8 to pay themselves \$6,000 per year and \$35 per meeting to a \$9,000 maximum, still face a possible recall movement.

The new pay plan replaces one adopted Jan. 29 which would have paid supervisors about \$12,000 per year.

Not including fringe benefits, the 21 supervisors will draw about \$190,000 annually from the county, while the old 76-man board earned \$98,000 last year on a straight \$25 per meeting basis.

After Friday's action, radio station WBBB news manager Ed DeWitt said the station may start a campaign next week aimed at recalling supervisors who voted for the final pay schedule.

Macomb County's two daily newspapers, both major political parties and the United Auto Workers and the radio station all had called for "more realistic" salaries.

Former Rink May Become Tavern

The Benton Harbor city commission is scheduled to receive a request Monday from Ralph Carnegie for transfer of a liquor license to 453 Highland avenue, the former Sheeley skating rink. Carnegie owned the Glass Bar, 314 Eighth street, until the property was acquired by urban renewal. His proposed new location is owned by City Commissioner Rex Sheeley, who said he will abstain from any vote on the matter. The building has not been used as a skating rink since 1966.

Sheeley said Carnegie has intentions of buying the building.

Bad Report Is Ordered Expunged

Appeal To Nixon Is Successful

An Army board of review has deleted a bad performance report from the record of a Niles officer after an appeal was filed with President Nixon.

The action amounts to clearing Lt. Thomas McGuire, 26, of 1210 Elder court, Baron Lake, for his efforts to get a fair hearing for an enlisted man accused in a marijuana case. McGuire assigned to prosecute the case, maintained illegal search and seizure had been used against the defendant.

He was dropped from the case and an efficiency report was written stating that McGuire was a "bad leader."

Lt. McGuire was then sent to the Canal Zone for jungle training in preparation to lead combat troops in Vietnam.

"This is great news," said his father Stanley McGuire today after receiving a copy of a telegram on the review board's decision.

The action by the board means that Lt. McGuire's efficiency report will be "nonrated" during the period of 1968 in question and that comments made by the rating officer will be "deleted."

The "bad leader" implication was written into the report by the rating officer.

FILED SUIT

McGuire had filed suit to clear his record but it was turned down without opinion in the U.S. Court of Military Appeals.

Taking the case to President Nixon was the last resort. The appeal to the president was made by George C. Edwards of Detroit, McGuire's civilian attorney.

Stanley McGuire said his son was expected to return to the states today from the Canal Zone before going to Vietnam.

Lt. McGuire is a 1967 graduate of Wayne State law school.

Lansing Will Host Officials

LANSING (AP) — More than 650 city and village officials and state legislators are expected Wednesday in Lansing for the Michigan Municipal League's annual State Legislative Conference. Highlighting the two-day conference will be a luncheon address by Gov. William Milliken and information sessions to acquaint municipal officials with the legislative process.

AL BRENNER DAY: The City of Niles paused Friday to honor All-American Al Brenner, Michigan State University athletic and scholastic standout. Brenner, a graduate of Niles high school, is an A- student and has been named to two football All-American squads. (Staff photo)

Law School Or Pro Football?

Niles Superstar Brenner Faces Big Decision

By WES STAFFORD
Staff Writer

NILES—For All-American Al Brenner, the last two weeks of July will be decision time — a few brief days to choose between law school and a stint in professional football with the New York Giants.

Brenner, a standout in the classroom as well as on the gridiron at Michigan State University, has received three scholarships for advanced study following his graduation from MSU in June.

Just a shade away from being a straight A student in college, Brenner was named to the Big

Ten conference All-Academic teams in sophomore and senior seasons.

RECEIVES \$2,500 GRANTS

He'd like to study law at Standard Law School in California and the three grants, two from the National Football Foundation and another from the National Collegiate Athletic Association (NCAA), give him \$2,500 toward his graduate studies.

"But I'd like to play pro football too," says the ruggedly handsome Brenner, drafted in the seventh round by the National Football League Giants.

The Giants open tryout camp in July and Brenner plans to be there. "I've been playing football almost as long as I can remember . . . and you always dream of playing in the pro ranks," he said Friday in Niles.

"I want to go to law school eventually," he commented. "But right now, I could use a few quick dollars," he added with a smile.

Brenner, a regular on both

Niles Goes All Out For Brenner Day

the offensive and defensive units during his senior year at State, was named the Spartans' most valuable player. Alternating at split end and defensive safety, he was named to Big Ten all-star teams at both positions.

His chances of playing in the

ALL AROUND OUR TOWNS Exploits Of Bangor Man Make The Laugh-In Show

After laying carpet in the Bangor area for some 22 years, Art Sherrod, Jr., 40, of Bangor, gained national recognition for his work on the National Broadcasting Co. network last Monday night.

Comedians Dan Rowan and

Dick Martin in their comedy program "Laugh-In" poked fun at an Art Sherrod in Bangor, Mich., who they said was probably the world's fastest carpet layer.

According to the story that hummed over the network, Sherrod once put down eight rooms of carpet in a day but afterward couldn't find his wife and furniture under the humps.

Sherrod said he heard all kinds of stories about what was said and that he hopes to secure a tape from the network to find out what was really said. "It all comes at you so fast on that program," he noted. "It was all over before we realized they might be talking about me."

He said he understands that Martin used to be a bartender at Battle Creek several years ago and that this might explain how his business at Bangor got mentioned on the program. But Sherrod said he did not know either of the comedians.

Sherrod said it was not uncommon for a carpet man to put down eight rooms of carpet in a single day and that he often does it. But he added that he has never lost his wife.

Financing The
Poverty War

Two controversial tax and expenditure ideas, revenue sharing and tax credits, may form the foundation of Richard M. Nixon's program to combat the ills of the urban and rural poor.

Nixon has indicated he will propose tax incentives for businesses which locate in ghetto areas or which help train the hard core unemployed.

In addition, a Nixon task force reportedly has recommended a revenue sharing plan which would distribute between 3 and 5 percent of Federal personal income tax revenues to the states on an unconditional basis.

Although both 1968 party platforms spoke approvingly of the two principles, the Republican Members of Congress have given them the most enthusiastic support over the past decade.

In the 91st Congress, however, they face powerful opponents, including Chairman Wilbur D. Mills (D., Ark.) of the House Ways and Means Committee, the body which must approve the ideas.

Neither revenue sharing nor tax credits is a new concept, though they never have been used on the scale or for the goals which have been urged in recent years.

Tax credits, a form of tax incentive which allows a taxpayer to subtract certain expenses from his tax bill, were added to income tax law in 1919, but they generally have been used to relieve the burden of double taxation rather than encourage a particular activity.

Revenue sharing, after an

bitious start with an 1836 program in which the Federal Government split most of the surplus in the Treasury among the states, has become a very small part of the federal grant-in-aid system.

Revenue sharing plans offered in Congress during the past decade ordinarily have provided for an automatic distribution of some federal tax revenues to the states, with virtually no conditions attached.

There have been numerous variations on the basic principles of revenue sharing and tax credits. Republicans generally have favored supplanting present programs with funds from proposed new tax and expenditure plans while Democrats most often have seen the new proposals as a supplement.

Proponents say that to give tax credits, such as those suggested by Nixon to encourage business involvement in the slums, not only would achieve a socially desirable goal but also would stimulate private initiative.

Opponents argue that tax credits have costs in revenue foregone by the Treasury, and that their widespread use would threaten the Federal Government's tax base.

The cost of Republican tax credit proposals has been estimated as high as \$7 billion annually, but one Nixon adviser has put the tab at nearer \$2 billion a year.

Supporters of revenue sharing claim that the superior tax collecting power of the federal government should be used to assist states and localities which have faced a severe "revenue gap" in trying to meet the needs of their citizens.

In addition, some revenue sharing plans would redistribute at least a part of the "shared" revenues to the less wealthy states from the richer ones.

The opposition is suspicious of all Government spending, especially if the spending is done by a unit of government which did not have the responsibility for raising the funds.

Some liberals have objected to revenue sharing, claiming that state legislatures, despite reapportionment, would be likely to spend money in rural and suburban areas rather than in the core cities.

A Nixon task force on inter-governmental relations reportedly has recommended a plan that would cost more than \$4 billion a year.

Although Nixon and Mills agreed at a December meeting that tax credits could be feasible if directed toward a specific goal and if shown in the federal Budget, the Ways and Means Committee chairman remains skeptical.

Sen. Charles H. Percy (R., Ill.), co-sponsor of one of the major tax credit bills in the 90th Congress, conceded in a December speech that the new Congress probably would defeat tax incentive legislation designed to develop business in ghetto areas.

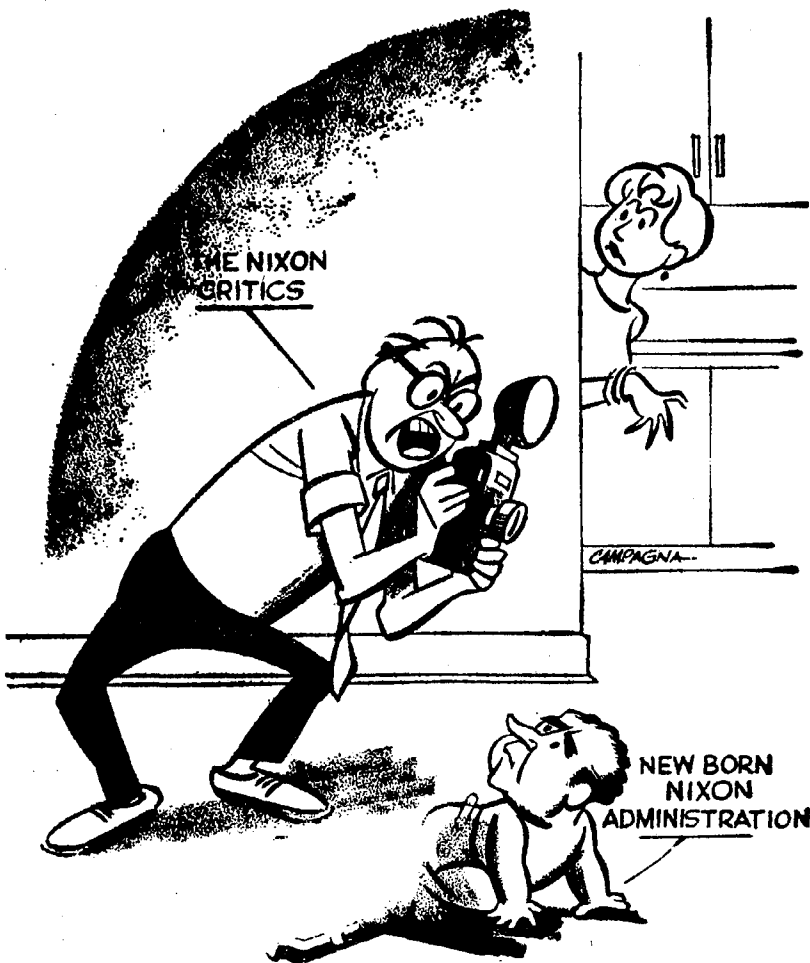

A fall back position for the Republicans might be block grants, a spending plan which would not need approval of the Ways and Means Committee.

The "block grant" is related to revenue sharing in that it has fewer strings attached than the usual conditional grant. However, funds for the block grants are appropriated rather than distributed automatically as proposed in most revenue sharing plans.

The block grant approach, first used extensively in the health field, was also used in the Omnibus Crime Control and Safe Streets Act of 1968 and the Juvenile Delinquency Prevention and Control Act of 1968.

The National Zoo, now one of the most popular attractions in Washington, D.C., survives and thrives despite former Congressional criticism. In 1892 a Representative denounced an appropriation for the Zoo by saying: "I do not believe the American people ought to be taxed to afford shelter and erect homes for snakes, raccoons, opossums, bears, and all the creeping and slimy things of the earth."

HENRY CATHCART

Inside Washington

WASHINGTON — Moderates in the Republican Party, particularly the pre-convention supporters of N. Y. Gov. Nelson A. Rockefeller, are elated at the activities of Richard M. Nixon since he entered the White House. They detect growing signs that Nixon will, in fact, conduct the presidency along lines which, in their opinion, will broaden the base of the party among the vast middle class of America.

Some liberal Republicans are more enthusiastic about the future of the party than at any time since the election of Dwight Eisenhower in 1952, for they believe the growth of support this time will stem from a refurbished party "image" rather than being tied to a "father figure" as it was in the 1950s.

Their attitude can be summed up by stating that they foresee the reassertion of the "Eastern

caught in artillery fire, a military spokesman in Naples said.

At the first explosion from the air bombs about 100 Germans ran out of the monastery and were raked with fire. After the second attack 200 Germans made a break for fresh cover but were caught in artillery fire.

NO PRIMARY

—31 Years Ago—
It is announced that there will be no primary election in St. Joseph township as only one ticket has been filed and there is no opposition on that.

SHIFTING SCENE

—45 Years Ago—
The business aspect of State street probably will be considerably changed by the shifting of concerns located there.

DR. COLEMAN

..And Speaking
Of Your Health

Clubfoot is a birth deformity that seems to occur with some hereditary pattern. The exact reason why a child is born with a foot turned in is not exactly known, although the cause has been attributed to drugs or infections during pregnancy. In most instances there is no real reason to account for this condition.

The severity of the deformity varies and that determines whether the foot is treated by manipulation or by keeping the foot and the leg in a cast. In some instances it becomes necessary to employ surgery to correct some of the more serious conditions.

The key to the best results, either with a cast or by surgery, is early treatment. The results are very successful especially when they are started immediately after the condition is recognized.

There are a number of other congenital bone deformities that include extra fingers or toes. It takes a great deal of astute judgment by an orthopedic or bone specialist to decide which of the digits should be removed and when.

Occasionally, a child is born with a dislocation of the hip which is treated by a cast and occasionally by surgery. The exact nature and extent of the condition can be determined readily by the highly refined X-rays that now can be taken without exposing a young child to any excess radiation.

As may readers know I never, well hardly ever, describe symptoms of the diseases I write about. The reason, of course, is that there are symptoms, any group of which can induce

readers to say "that's exactly what I have."

Let us take the symptoms of nausea, diarrhea and abdominal pain. These may accompany simple stomach upsets, overindulgence in food and alcohol, stomach virus infections, ulcers of the stomach, intestinal disturbances, gall bladder disease, poor liver function, and emotional upsets. And these are only a tiny fragment of the number of diseases with similar symptoms.

It is for this reason that self-diagnosis is bad judgment. The idea of "that's like what I've got" serves only to delay the treatment of simple diseases until complications arise. Only the doctor can wade through these many possibilities and come up with the proper diagnosis and treatment.

Many people do not know that, besides the arteries and the veins, there is a vast network of lymphatic vessels that circulate throughout the body. Lymph is a clear, colorless fluid that plays an important role in protection against infection, building antibodies by draining into the lymph gland system. The lymphatic system that plays such an important role in health and disease is subject to many of the diseases like leukemia and Hodgkin's. This system, too can be studied by injecting a dye into it and tracing it with X-rays.

♣		♣	Q 4

The bidding:
South West North East
1♥ Pass 2♥ 3♣
4♥

Opening lead—six of clubs.

Just as declarer's first consideration must be to make the contract, a defender's first consideration must be to beat the contract. In attempting to meet this objective, a keen defender will make any and all assumptions that may be necessary for defeat of the contract.

Consider this deal where West leads the six of clubs, on which East plays the king and South the queen. There is no way for East to know at this point whether West or South has the missing four of clubs.

Declarer's queen play may be

on the level—that is, he may have only the singleton queen—or it may be a deliberate false-card designed to persuade East that West has the missing four. East must make a decision at this point, and he should assume that South has the four because otherwise the contract cannot be beaten. To concede declarer the singleton queen of clubs would be equivalent to conceding the contract.

So East returns the eight of clubs at trick two, hoping his partner will ruff. (Note that East returns the highest club he can spare so that, if West ruffs, he will lead back the highest suit, spades.)

West obliges on both scores by ruffing the club and returning a spade to East's ace. This is the third trick for the defense. When East now leads another low club, South is ready to be carted off to the hospital. Sooner or later he must lose a diamond to go down one.

If East permits himself to be fooled and shifts to another suit at trick two on the assumption that it is West who has the doubleton club, he allows declarer to make the contract. East's central thought must be to try to beat the contract, and to be consistent with this, he must arbitrarily consign the four of clubs to South.

BENNET CERF

Try And Stop Me

At a Florida resort, a winter-long boarder made it her business to strike up an acquaintance with a bejeweled, sable-coated newcomer, and came back to her oldest friend with her eyes popping. "What do you think her husband made in the market last year?" she whispered. Her friend snapped, "Half."

I'm sure you learned in grade school that the name of Robert Fulton's famous steamboat was the "Clermont." Wrong, says Charles Rice, Fulton christened his ship "The North River Steam Boat." Clermont was just its port of registry. An early historian got the facts mixed up, and the error has persisted to this very day.

A hard-boiled product of the Bronx, described housing problems in that crowded borough, to interviewer Tom Wolfe in this brief summation: "If you live on the street floor of a tenement, it's easy to get to—but everybody throws his garbage down at ya. If you live on the top floor, ya can throw yours on them—but ya have to walk up six flights!"

"One political mystery I never could solve," admits Burton Hillis, who speaks for all us poor taxpayers, "is why the minority has all the answers until it becomes the majority."

SIX AREA TOWNS HOLD PRIMARIES MONDAY

CENTER OF ATTENTION: Niles youngsters flock around All-American Al Brenner, shown signing autographs during Friday night's basketball game between Niles and Portage Northern.

TWO OF MANY: Michigan State University and former Niles high school athletic star Al Brenner received many awards during Al Brenner Day in Niles Friday. Two of them included a bronze plaque, presented by Robert Bean, president of the Greater Niles Chamber of Commerce, right, and the NEA All-American award, presented by Gordon Serr, assistant football coach at Michigan State, right. Awards were presented at halftime of basketball game between Niles and Portage Northern.

Niles' Living Legend Honored

All Brenner Day Ceremonies Honor MSU All-American

By WES STAFFORD
Staff Writer

NILES — It was Al Brenner Day in Niles Friday and the city's 16,000 residents turned out in force to honor their scholastic and athletic hero.

Brenner, a football All-American at Michigan State University this year, even received a key to the city from Mayor Frank Frucci.

"We couldn't be prouder of this boy," Frucci said. "He's helping to put this town on the map," he added with a smile.

For Brenner, it was one ceremony after another during a day that included a special student assembly at Niles high school and a giant motorcade through the downtown area.

'AWARD OF EXCELLENCE'
Other highlights included a public reception at Mayor Frucci's Franky's restaurant, attended by over 200 persons; receipt of an "award of excellence" plaque from the Greater Niles Chamber of Commerce, and presentation of the Newspaper Enterprises Association's All-American award.

Brenner's accomplishments at Michigan State are nearly legend in Niles, where he started as a high school athlete and scholar. They include:

—Selection in two different years to the Big Ten's All-Academic team.

—All-Big Ten honors this past season as both an offensive and defensive player.

—Receipt of the Governor of Michigan award presented each year to the state's most valuable football player.

—Return of a punt for 95 yards in the 1966 Illinois game, establishing a Big Ten record that still stands.

—Participation in the Iuliu Bowl, East West Shrine game and Senior Bowl, post-season contests for the nation's best football players.

—Coaches' All-American honors in addition to his selection to the NEA team.

Brenner capped a brilliant Niles high school football career, catching four touchdown passes in his final contest. In basketball he played on three championship teams, averaging 31 points as a senior.

High school basketball records he still holds include, a single game high of 44 points; season free throw total of 103; season high of 494 points, and a career total of 992 points.

BASEBALL OFFER
Brenner participated in baseball and track, too, receiving a major league contract offer after high school from the Chicago Cubs.

"He's a great one," says Michigan State Coach Serr. "What we've really appreciated has been his work with younger players," he said. "You'll see what he's accomplished for us next season," suggesting State will improve on last year's 5 and 5 season.

Brenner is married and he and his wife, Phyllis, a former Niles cheerleader, are the parents of two children, Robert Allen, 3, and Allen Ray, Jr., three months.

The soft-spoken six-foot, one inch, 200-pounder, appeared almost embarrassed by yesterday's fanfare.

"He wore a pink shirt so he'd have an excuse for blushing," said Phyllis.

Teen Innocent Of Kidnaping

NOVI (AP) — Floyd L. Kirkendall, 17, of South Lyon, was acquitted Friday of charges of kidnaping and assaulting Robert E. Starnes, a Novi policeman.

Two other youths had pleaded guilty earlier in the case, one to kidnaping, the other to felonious assault.

UP ON THE WALL: All-American Al Brenner and his wife, Phyllis, pause during ceremonies Friday to inspect a picture of Al, noting his selection as captain of last year's Michigan State University football team, that hangs in a hallway at his Alma Mater, Niles high school.

ALL-AMERICAN FAMILY: Al Brenner holds his son Robert Allen as he stands with his wife Phyllis during an Al Brenner day event at Niles Friday. It was too cold of a day for the Brenner's other son, three-month-old Allen Ray, Jr., to be out. (Staff photos by Wes Stafford)

Swims Creek Fleeing Police

A man who Benton township police said swam Blue Creek to reach the edge of a swamp and avoid questioning was hospitalized Friday evening from exposure.

Police identified the man as Jackie Cooper, 32, of route 4, Box 75-A, Territorial road, Benton township. He was reported in fair condition today in Mercy hospital, Benton Harbor.

Officers Anthony Marsala and James Lester said they were pursuing Cooper on foot when he dove into the waist deep water of the creek, swam to the other side and told them they would have to come and get him.

FAMILY DISPUTE
The officers said they were seeking Cooper for questioning after his wife, Betty, complained he had forced her from their car and driven off with their children a short time earlier.

According to the officers, they were driving Mrs. Cooper home when they spotted Cooper running along Territorial near 194, before he dove into the creek.

The officers said they built a fire and watched Cooper across the creek after instructing him to return. Marsala and Lester said Cooper sat in the snow for about 15 minutes, then walked away. A short time later, they said he came back and ignored their request that he join them at the fire.

CALLS FOR HELP
In about 20 minutes, the officers said Cooper called for help and then fell unconscious. The officers and ambulance operators waded across the creek and brought Cooper back on a stretcher.

No charges were filed immediately.

Caucus Is Slated In Shoreham

Pick Nominees For Annual Spring Elections

Monday is primary election day for cities and villages in Michigan. But only six southwestern Michigan towns — St. Joseph, South Haven, Decatur, Lawrence, Lawton and Cassopolis — have primaries scheduled.

Contests for nominations in the cities of St. Joseph and South Haven will be settled with the winners going on the ballot for the April 7 city elections. In the remaining four villages, contests will be settled for candidates in the March 10 village elections.

Shoreham village south of St. Joseph will hold the only old-fashioned caucus Monday night at the village hall. All village offices and three trustee seats on the council will be up for nomination to run in the March 10 election.

NO OTHER CONTESTS

Other villages have no primary contests slated because there are no contests for nominations. Other cities have no partisan contests and have varying deadlines for filing of nominating petitions.

In Berrien county, the city of St. Joseph will hold a primary to eliminate one candidate for the two-year term created by the resignation of Victor Plassman. Voters will select two of the following candidates, Frances B. McBride, Atty. Richard J. Globensky and Louis C. Radde.

South Haven in Van Buren county will also have one race on the ballot Monday. Republican candidates Al Novak and Douglas Watrick will be opposed for first ward alderman. The winner of Monday's election will be unopposed in the spring election.

In the village of Decatur, voters will choose one of two Republicans to run as village president in the March 10 election. Incumbent Irel Slack is opposed by Dr. John T. Bowers. The winner will be unopposed in the village election.

Two Republicans are seeking the office of village treasurer in Lawrence. They are Mrs. Richard (Ruth) Durbin and incumbent Clarence Lubbers. The winner will be unopposed on March 10.

LAWTON RACES

In Lawton, four Republicans and four Democrats are seeking three two-year trustee positions. On Monday, one Democrat and one Republican will be eliminated. Republican candidates are Walter F. Garrett, Dean Barber, Wendall Wickert and incumbent Clifford N. Bohannon. Democratic candidates are Norman Specht, Jr., Kenneth Sherburn, Louis Weston, Jr., and John Cole.

In the Lawton primary two Republicans are seeking the post of village clerk. They are incumbent Charles MacDonald and George Stanard. The winner of the Republican clerk's race Monday will be opposed by Democrat Mrs. Margaret B. Starstead.

In Cass county, the village of Cassopolis will hold a primary to nominate one Republican candidate for the village treasurer's post. The GOP candidate is Robert L. Slates and Rattie A. Kennedy.

Crusade Due

LAWRENCE — "The Heart Crusade," a series of special meetings will begin at 6:30 p.m. Sunday, and will be held each evening during the week at 7:30 p.m. at the East Arlington Baptist church. The Rev. Al Northrup from Florida, a chalk artist, will be in charge of the meetings. He will end the crusade at the worship service at 10:30 a.m. Sunday, Feb. 23.

See Light Turnout In St. Joseph

FRANCES B. MCBRIDE

RICHARD J. GLOBENSKY

LOUIS C. RADDE

Only slightly more than 10 per cent of St. Joseph's 5,910 registered voters are expected to vote Monday in a primary election for the city commission, according to City Clerk Charles J. Rhodes.

His estimate of about 600 ballots was qualified by a maximum forecast of up to 1,000.

The primary will reduce a field of three candidates to two for the final election April 7. The candidates are seeking the remaining two years of the term vacated by Victor Plassman who resigned last month.

Candidates are Atty. Richard J. Globensky, who practices law in Benton Harbor; Mrs. Frances B. McBride, a bookkeeper for Auto Specialties Credit union, and Louis C. Radde, secretary and accountant for F. A. Long Co., 1329 Benton township.

Electors will vote for one candidate. The two with the most votes will be nominated for the April 7 election.

Pancake Sale Sunday

The junior class of St. John's high school will be stacking 'em high Sunday so they can meet their responsibilities to graduating seniors. The juniors will serve pancakes and sausage in the school cafeteria from 8 a.m. to 1 p.m. Proceeds for the breakfast will go for a dinner dance honoring the seniors at the end of the school year.

Cass Sheriff Will Shut License Office

CASSOPOLIS — Sometime during the next 90 days, the Cass County Sheriff's Department will no longer issue driver's licenses. Instead, a state-operated drivers' license bureau will be set up at a new location in Cassopolis.

Sheriff James Northrop was granted permission to be released of the responsibility this week by the Cass county board of supervisors.

Referring to the drivers' license bureau, Northrop said only three counties in the state still issue the drivers' licenses. He said, "It is and has been a function of the state department. All the rules are set up by the state, and we have no jurisdiction over anything in the drivers' license bureau."

Northrop said his office is not only cluttered, but the two girls qualified to issue licenses are overly burdened with the job plus other desk duties. He said uniformed deputies have had to assist with the issuing of licenses and giving road tests.

The two women will remain with the sheriff's department allowing another uniformed man, formerly used for desk work, to do road patrol duties.

Two Are Hospitalized When Car Hits Tree

Two persons were hospitalized early today after the car in which they were riding hit a tree on Cleveland avenue in St. Joseph. Four others were released after treatment.

In Memorial hospital, St. Joseph, was Stephen James Myotte, 18, of route 1, Meadowbrook road, Benton Harbor, driver of the car. He received head and leg injuries and was reported today in fair condition.

In fair condition in Mercy hospital, Benton Harbor, was Marsha Dunning, 16, of 541 Willard street, Bridgman. Attendants said she also had possible leg and head injuries.

Treated and released from the hospitals were Caroline Eastman, 20, of Sawyer; Gene Williams, 19, of route 4, Napier avenue, Benton Harbor; Gale

Spitzer, 19, of 344 Tower street, Bridgman; and Debbera Dixon, 15, of Box 449, Napier avenue, Benton Harbor.

St. Joseph police officer Craig Kettelhut said the car was northbound on Cleveland when it crossed the highway 190 yards south of Kingsley avenue about 1:50 a.m. and hit the tree in front of 2500 Cleveland.

The officer said Myotte told him he had closed his eyes for a minute just before the accident. According to Kettelhut, the driver said he was "very tired." Myotte was ticketed for reckless driving. Kettelhut reported.

The St. Joseph fire department was called to the scene because of a reported fire. But firemen said no fire was found when they arrived.

Girl Says She Was Kidnaped

Local Man Is Booked

A Benton Harbor man early today was being held by Berrien county sheriff's officers after a 17-year-old Benton Harbor girl complained she had been kidnaped at gunpoint.

Eldon Bledsoe, 39, of 214 Paw Paw avenue, was booked on charges of assault with a deadly weapon and assault with intent to rape, deputies Fred Reeves and Douglas Tiefenbach said.

The man was arrested at the Benton township police station where the officers said, he had reported his girlfriend had jumped from his car and disappeared. A .32 caliber revolver was found in the car. Police said the girl did not appear to be injured.

According to the deputies, the girl told them she had been driven from Benton Harbor to the M-140, County Line road area after being threatened.

She told officers she jumped from the car and fled to a house where she was given help, when the driver was turning into a driveway.

The officer said Myotte told him he had closed his eyes for a minute just before the accident. According to Kettelhut, the driver said he was "very tired." Myotte was ticketed for reckless driving. Kettelhut reported.

The St. Joseph fire department was called to the scene because of a reported fire. But firemen said no fire was found when they arrived.

The St. Joseph fire department was called to the scene because of a reported fire. But firemen said no fire was found when they arrived.

Pre-Registration Slated For Youth Fair

Dates for pre-registration of all livestock to be exhibited in the 1969 Berrien County Youth fair were announced this week by the fair board.

The pre-registration, required for the first time this year, will be conducted June 13 and 14 at the entry office at the fairgrounds, Berrien Springs.

Youth exhibitors between the ages of five and 21 will pre-register their animals so that exhibitors can identify their

show animals and so stall and pen spaces can be assigned in advance of the fair.

The pre-registration was brought on by the fact that last year two winning animals were found to be "ringers." They were disqualified.

There will be a committee meeting next Thursday at which time final details for the pre-registration will be discussed.

This year's fair is scheduled Aug. 12-16, Monday, Aug. 11,

will be entry day for all exhibits.

Mrs. Edward Kohn, fair secretary, said ground improvements have already been started.

The Jack Dean Memorial ring was filled and seeded last fall and plans are being made to improve the lighting in the home economics and horticulture exhibit buildings. A new restroom facility will be built in the area near the Sheriff's Poise barn.

ST. JOSEPH, MICH., SATURDAY, FEBRUARY 15, 1969

BOWERMAN'S 46 POINTS CRUSH ST. JOHN'S, 100-66

By AL AREND
Staff Sports Writer

EAU CLAIRE — Would you believe 46 points and 33 rebounds?

These figures are not final team statistics, but the totals accumulated by Eau Claire's 6-8 junior center Ray Bowerman as he led the Beavers to a 100-66 rout of the Irish of Benton Harbor St. John's last night, before a standing room crowd in the Eau Claire gym.

His fantastic performance broke the school individual scoring record of 38 points set by teammate Rich Haskins last season against St. Joseph Catholic.

It is also the most points scored by an individual in Southwestern Michigan basketball circles since Joe Milauckas of Saugatuck pumped in 49 against Lawrence in the 1967 district tournament.

Bowerman sank 20 of 29 field goal attempts and converted six of 11 free throws in breaking the school record.

Although there are no records available, his 33 rebounds, must also be a record of some kind. Bowerman grabbed 21 off the offensive boards and 12 on defense. If these statistics aren't enough, Eau Claire's biggest Beaver blocked a total of nine shots.

"Unbelievable, just unbelievable," Eau Claire Coach Jon Frye said of Bowerman's performance in the jubilant Eau Claire dressing room after his Beavers captured their 13th straight victory of the season and all but clinched the Red Arrow conference championship.

"It was our game plan to feed Ray, setting him up for that close-in turn around jumper, but I never expected anything

like this," Frye said.

From the start of the game it was all Eau Claire and Bowerman, as the big lefty scored 12 of the Beavers' first 14 points, giving them a 14-7 lead with 3:06 left in the period.

At this point St. John's Coach Al Hess called time out and pulled his Irish out of their man-to-man defense, switching

to a 1-2-2 zone in an attempt to box out Bowerman. The attempt failed miserably and by halftime the Beavers were ahead 52-28. Bowerman pumped in 29 points the first half, outscoring the Irish by himself.

At 3:27 of the third period Bowerman sank another close-in turn around jumper tying the school record of 38 points and

putting the Beavers ahead 70-32.

At this point, Frye pulled Bowerman from the game. The Eau Claire fans erupted and started a "We want Ray" chant which lasted until the end of the period. With Bowerman out the Irish managed to stay even with the taller Beavers and trailed 80-42 going into the final stanza.

Bowerman re-entered the game with a minute gone in the fourth quarter and broke the school scoring record at the 5:35 mark on a top-in of a missed shot.

The only thing left for Beaver fans now was to see their team score 100 points or more for the third time this season. The century mark was reached with 20 seconds left in the contest, when — you guessed it — Bowerman sank an eight-foot base line jumper.

"We simply didn't have the

height to stop him," Hess sighed after the game. "He'd score like that against everybody if they fed him the ball as much as they did tonight," Hess added.

Besides Bowerman, the Beavers put three other men in double figures with Charles Osby, Rich Haskins and Denny Prillwitz netting 16, 14 and 10 respectively.

St. John's mighty midgets — guards Terry Etter and Ron Mardarino — also played superbly for the Irish. Etter finished the night with 26 tallies and Mardarino added 21.

Eau Claire hit 41 of 80 field goals for a 51 per cent average. St. John's managed 24 of 64 from the field for 38 per cent. At the charity stripe, the Beavers made good on 18 of 27 attempts and the Irish sank an excellent 18 of 20.

Literally dominating both the offensive and defensive boards, the towering Beavers grabbed a total of 55 rebounds compared to just 17 for the small Irish team.

Eau Claire had 20 turnovers compared to only 11 for the Irish but his category had no effect on the final outcome.

The Beavers are now 13-1 for the season and 13-0 in Red Arrow play. St. John's is both 8-5 overall and in league action.

Eau Claire travels to Galien, next Friday night to take on the Gaels and the Irish return to action tonight playing host to Decatur in the Colfax gym.

The Beavers also won the junior varsity game by a 62-52 count. All of Eau Claire's starters hit double figures with Alan Chisek leading the way with 14 points. Rick Bowerman added 12 and Wade and Willie McAfee and Gary Lehman netted 10 apiece. Jim Mardarino and John Watts had 15 each for the Irish.

IRISH BUSTER: With uncontested shots like this, Eau Claire's 6-8 Ray Bowerman set school and Red Arrow conference scoring records with a 46-point performance Friday night in the Beaver gym against Benton Harbor St. John's. The Beaver center also grabbed 33 rebounds in powering Eau Claire to its 13th straight victory in a 100-66 romp over the outmanned Irish. (Staff photo)

Giant Step Away From LMAC Title

Mutt, Jeff Power Tigers

By JIM DeLAND
Sports Editor

MUSKEGON — Benton Harbor's Tigers stand one giant step away from a share in the Lake Michigan Athletic Conference championship after escaping an attempted St. Valentine's Day massacre here Friday night.

Powered by the Mutt and Jeff combination of 5-8 Larry Sanders and 6-5 Lonnie Moltimore, the Tigers clawed out a 60-46 victory over Muskegon Catholic Central in a crude test of strength to set the stage for a showdown with undefeated Muskegon in the final LMAC game of the year.

Sanders and Moltimore tossed in 21 points apiece to almost equal the Crusaders' entire scoring output, and Moltimore also hauled down 23 rebounds to provide the margin of power in the brutal defensive battle.

The victory gives the Tigers a 10-3 record for the season and a 6-1 slate in the LMAC, where they stand half a game behind Muskegon (6-0), which must play Traverse City next Friday and Benton Harbor Feb. 28.

"As an old history teacher, let's say that's just history now," Tiger coach Ace Elsner grinned after the game. "It gives us something to look forward to, and that's what's important."

Friday's encounter left much to be desired from an artistic standpoint as the Crusaders relied on a cloying, clawing zone defense in an attempt to offset the Tigers' superior height and speed.

The pattern of the game is best reflected in the foul column, which shows Muskegon Catholic with 27 personals — a total Elsner felt should have been much higher.

"I thought the game was rather loosely officiated," he reflected. "They were all over us. But I suppose that if I was the underdog in a game like this, I'd do the same thing — clawing at the ball and strangling 'em on rebounds."

Only atrocious free throw shooting prevented the Tigers from blowing the game wide open in the first half. They missed the first shot in one-and-one situations seven times in the second quarter alone and passed up a possible 33 points at the foul lines while sinking only 14 of 37 during the game.

Muskegon Catholic had some success with a zone press in the opening minutes of the game while snapping to a 5-5 dead-lock, but the Tigers began to pick it apart with long passes for easy baskets and rolled up a 22-14 lead while hitting 10 of 15 shots.

Most of the points came on easy layups by Sanders after beating the press or on slick feeds in to Moltimore under the basket for point-blank shots over the shorter Crusaders.

The Crusaders then abandoned the press and fell back quickly into a swarming 1-3-1 zone that hounded the Tigers into hitting only 13 of 50 shots the rest of the way.

But Benton Harbor responded by switching into a 2-1-2 zone and held the Crusaders to only four baskets in 16 minutes during the middle two periods while slowly piling up an insurmountable lead.

The Tigers led 32-22 at the half and 46-28 at the end of the third quarter after running off a string of 12 straight points while the Crusaders went almost seven minutes without a basket.

quarter scoring and Sanders pushed the Tigers to a 55-37 bulge in the final period before Elsner sent in the substitutes to finish out the game.

Throughout the contest the Tigers badgered Crusader scoring ace Larry Smith almost constantly and he finished the game with only 11 points after hitting only 4 of 19 shots. Elijah Winston added 12 points, but

none of the other Crusaders was able to find the range at all.

Smith did fight his way in to grab 11 rebounds, but the Crusaders still lost the battle of the boards 54-37 with Horace backing Moltimore up with 10 caroms.

"Nine out of 10 times if you bound Smith, he doesn't hit that well," Elsner noted, "although he did score well against us in

the first game. Of course, it's tough on him not having anyone else on the team who can hit at all."

For the game the Crusaders connected on only 17 of 70 (.243) shots from the field and 12 of 22 from the free throw line while Benton Harbor finished with a mediocre .354 shooting average on 23 of 65.

The defeat drops Muskegon

Catholic back to 2-6 in the LMAC and to an even 7-7 for the season.

Al Snyder's Tiger Cubs rolled up an 80-60 victory in the preliminary game with four players hitting double figures. John Gorton led the way with 17 points while Chester Dossett added 13 and Rodney Rhodes and Cass Bridgman 10 apiece. Rick Howell was high for Muskegon Catholic with 16.

Saugatuck Ends Hex By Tumbling Covert

HOLLAND — The Covert Bulldogs ran into a tough 1-3-1 zone defense here last night and were upset by the Saugatuck Indians 81-74, in an Al-Van conference clash.

It was the first Saugatuck victory against Covert in 26 attempts over more than a decade. The Indians' last victory was by a 70-67 decision on Feb. 28, 1958.

Paced by guard Joel Durham and forward Mike Onk, the Indians outscored the Bulldogs by 21 points in the middle two quarters Friday to take a 66-53 lead into the final frame.

The Bulldogs continued their tight man to man full-court press during the fourth quarter, but as was the case throughout the game it had little effect on the Indians.

Onk and Durham tallied 24 points apiece for Saugatuck and forward Lou Herbert added 13. The Indians connected on 28 of 38 field goal attempts for 74 per

cent, while the Bulldogs managed a respectable 28 of 65 for 42 per cent.

Covert had five men in double figures with center Clarence Lauderdale leading the way with 17. James Jefferies and Reggie Smith tallied 12 each and Henry Allen and Steve Smith added 10 apiece.

Fouls hurt the Bulldogs as they gave the Indians 43 attempts from the charity stripe on 29 infractions. Saugatuck connected on 25. Covert hit 13 of 31 from the line.

The Indians also held a 40-31 rebounding edge with Mike Onk and Dan Stitt hauling down 12 and 11, respectively. Lauderdale had 13 caroms for Covert.

The loss was the first 11 conference play this year for the fourth-ranked Bulldogs and only their second of the season. Saugatuck is now 6-5 in league play and 6-7 overall. The Indians travel to Martin Tuesday

night to take on the Clippers, while the Bulldogs play host to Lawton on Tuesday night. Covert is now 10-1 in league play and 12-2 overall.

Covert's undefeated junior varsity also found the trip a rough one as they were upset 55-49. Randy Neusma and Bill Brackenridge led the Indians with 21 and 17, respectively. Cary Ross was high for Covert with 20.

Knights Knife St. Joe

Norrix Gets Conference Title Share

By JAKE SHUBINSKI
Staff Sports Writer

KALAMAZOO — The brand of basketball played by the Loy Norrix Knights isn't very exciting, but it sure is effective.

The Knights, who look upon the fast break as if it were the plague, precisioned the Bears into a 65-51 Big Six conference beating here Friday night.

But mention rebounding to the Knights and it really turns them on, such as a 46-29 edge enjoyed last night that enabled coach Bill Stuitbergen's well-drilled crew to clinch at least a share of the conference title. They can win the first basketball title in the school's history by defeating Portage Northern next Friday night.

While rebounding has been the key to the Norrix 12-3 season record, shooting has also played a big part. The Knights don't score a lot of points, but you can bet when they turn the ball loose, its going to be a high percentage shot.

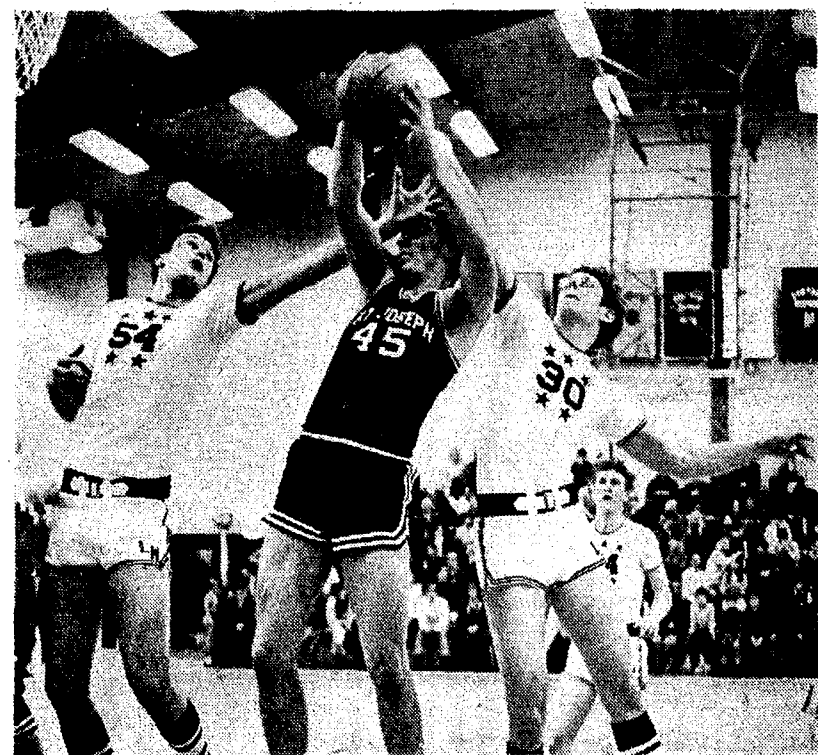

The Knights hit 26 of 53 shots last night for a 49.1 percentage. Except for the first quarter then Tom and Terry Vandenberg were hitting from 15 to 17 feet out, the Knights were near or under the basket most of the time.

The Knights built their winning margin in the first half when they shot into a 32-17 lead on a 50 per cent shooting average and almost complete domination of the boards.

The Bears hit only two of 14 field goal attempts in the first quarter, both by Bill Prussing, and then suffered through a four-for-15 second quarter.

During the 16-minute span, it was a case of one shot then back to defense for the Bears. St. Joseph took only one offensive rebound the first half and 10 on defense while the Knights grabbed four on offense and 17 on defense.

The Bears were out rebounded 25-18 in the second half but started to hit with 16 of 32 shots finding the range. This was five

HEAD HUNTERS: Loy Norrix's Fred Grimm (54) and Doug Tracy (30) got a piece of Mark Witkowski's head instead of the ball in fighting for a rebound with the St. Joseph forward. Witkowski finished as the leading Bear scorer with 15 points, but St. Joe dropped a 65-51 Big Six decision Friday night in the Kalamazoo gym. (Redman & Ames photo)

more field goals than scored by Norrix, but the Knights made up the difference at the free throw line.

The Bears trailed by as much as 18 points early in the fourth quarter but rallied behind Mark Witkowski and Jim Ticknor to cut the deficit to 57-49 with 2:20 left in the game.

The rally was executed against starter Tom Vandenberg and four subs. When Witkowski hit on a layup to cut the Norrix lead to eight points, Stuitbergen hit the panic button and inserted his regulars who finished the game and rebuilt the Norrix lead.

Witkowski got eight of his 15 points in the final period and Ticknor got six of his eight. Bill Prussing finished as the team's No. 2 scorer with 12 points, half of which came in the third

period. Witkowski also led the team in rebounding with 12 and held Jim Van Sweden, the Knights' leading scorer with a 20-point average, to 11.

But it was sort of like plugging one hole only to have a leak spring up somewhere else. Tom Vandenberg, with an eight point average, killed the Bears with 22 points.

On the night, the Bears hit 22 of 61 shots for a 36.1 percentage.

The Bears never led but did manage to tie the score at 1-1 on the free throw by Witkowski and 3-3 on a 17-footer by Prussing. But it was over two minutes before they scored again and by that time the Knights were out of sight.

Even the promotion of Dave Heidstrom from the junior varsity failed to help. Hed-

strom, who alternated at guard with Tim Polen, got his first varsity field goal in the fourth quarter on a driving layup.

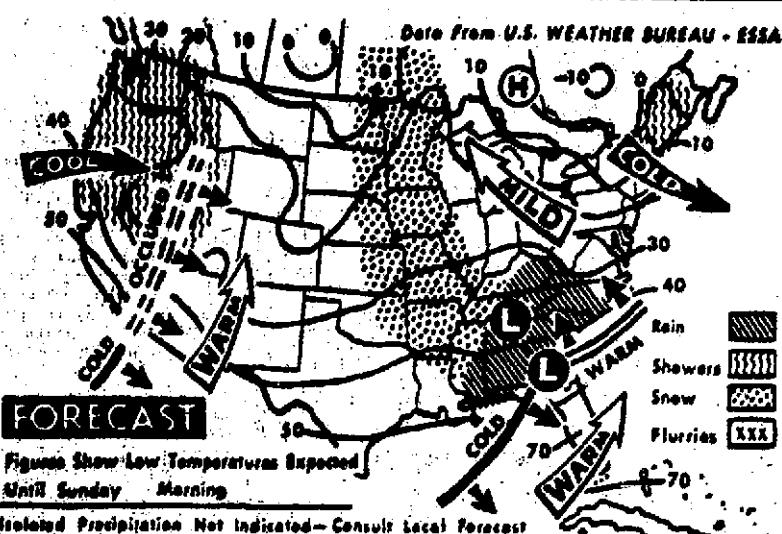

The defeat dropped the Bears into fifth place in the league with a 2-6 record. They will take a 4-9 overall mark into

NEWS OF MARKETS

Today's Weather Map

NEW YORK—Snow is due Saturday night from Louisiana to the Canadian border, with rain expected along the Gulf and Atlantic Coasts from Louisiana to the Carolinas with the exception of south Florida. Showers are due in New England and along the entire Pacific Coast. It will be warmer in the Lakes area, Florida and southwest. (AP Wirephoto Map)

Reminder For Lending Institutions

Banks and lending institutions in Berrien county were notified by Register of Deeds, Judith Little this week to renew or continue their chattel mortgages filed at the register of deeds office for outstanding loans that expire in 1969.

The filing of chattel mortgages, also known as financing statements, with the register of deeds makes an official record of loans between lenders and debtors who provide personal property as collateral.

Mrs. Little said some lenders may not be aware that chattel mortgages that are not renewed in 1969, may, by law, be purged from her files.

Burglary Leads To 4 Arrests

Four persons were arrested last night by Berrien county sheriff's detectives and booked on charges stemming from a burglary at the Buchanan Co-op store, Bakertown road, Buchanan.

Chain saws and tools valued at \$3,038 were taken in the Thursday night theft.

Held in the Van Buren county jail on a charge of possession of stolen property was William Joseph Ross, 29, of M-152, Sister Lakes.

Held in the Berrien county jail on charges of breaking and entering were William Clair, 19, Gaylon Ross, 17, and his brother, Robert William Ross, 19, all of whom had been staying with William Joseph Ross, a cousin of Gaylon Ross.

Detectives Robert Kimmerly and Ronald Immoos said the four were arrested at William Ross' home. Six chain saws and two boxes full of tools owned by employees of the co-op were recovered, they said.

According to the officers, William Joseph Ross was turned over to Michigan state police at Paw Paw because his home is in Van Buren county. The others were brought in Berrien where the break-in occurred.

Kimmerly said Immoos went to the Ross' home after state police received a tip. Immoos purchased a saw before the arrests were made.

A printout is a printed record produced automatically, as by a computer.

Cab Service Returns To Dowagiac

DOWAGIAC — Residents of Dowagiac could get a taxi Friday afternoon for the first time in seven months.

Taxi service for this city resumed Friday as Tom Doyle filed insurance as required with City Clerk Albert J. First.

Doyle had been given permission to operate the service by the city council on Feb. 3 and to charge the rate of 85 cents per passenger or delivery of merchandise.

When he began the service Friday, Doyle announced after careful consideration, he is lowering the rate to 75 cents instead of 85 cents.

Doyle, of 330 Pokagon street, said his line has been named "City Cab" and that telephone service is also in effect. His number is 782-2962.

The new taxi line will also give 24-hour a day service. It will be the first time in recent years a taxi will be available around-the-clock.

Candidates Invited To Dem Meeting

Benton Harbor Democrats have invited city commission candidates to state their views at a meeting tonight. City Chairman Richard Tynes said the meeting will be held at the Edwin Prong residence, 748 Ogden avenue.

It will start with a potluck supper at 6:30 followed by the candidates stating their platforms at 8. The public is invited.

The municipal election will be held April 7. Candidates run on a nonpartisan basis.

STUDENT TEACHING

BUCHANAN — Miss Sandra Gwin, daughter of Mr. and Mrs. Ouis Gwin of Fedore road, Buchanan, is student teaching at German school in South Bend. She is one of more than 400 seniors of the University of Indiana assigned to practice teach in Indiana elementary schools during the second semester. She was graduated from Buchanan high school in 1965.

FLORIDA VACATION

BUCHANAN — Mr. and Mrs. Leonard Wiggins and Mrs. Fred Reum have returned home after spending several weeks with Mr. and Mrs. Fred Felty in their home in Homestead, Fla. Mrs. Felty is the former Judy Wiggins.

Knocking Down Walls At SMC

DOWAGIAC — A week of activities designed to promote improved relations between black and white students has been scheduled next week on the campus of Southwestern Michigan college.

The objective of the program is to extend dialogue between students to gain a fuller understanding of existing barriers to communication and to consider possible alternatives in developing improved human relations.

The "kick-off" event for this Human Relations Week was held Thursday with an interracial basketball game. Monday has been designated as Get Acquainted Day with forums scheduled on Tuesday and Wednesday to discuss the influence of racial prejudice. Films will supplement the forums. Students on Wednesday will assume the role of their counterpart by placing themselves in the "other fellow's shoes."

The week will conclude with a "CUTE" dance, signifying Cooperation, Understanding, Trust and Empathy. The dance will be from 8 to 11 p.m. Thursday in the SMC student commons.

Expansion Of Bank Emphasized

DOWAGIAC — When shareholders of the Community State Bank of Dowagiac arrived at the annual meeting this week they found the Dowagiac Daily News building adjoining the bank rapidly disappearing.

The C.E. Hess & Sons firm had chosen the date of the annual meeting to begin demolition and by evening the entire front portion of the building had been removed. The building was purchased by the bank recently to provide room for expansion.

During the meeting shareholders reelected all bank directors and approved a 10 per cent stock dividend and a 20 per cent increase in capital by sale of a new common stock. The stock will be offered to present subscribers at \$25 per share and any not subscribed will be offered at the public at \$26 per share.

Chairman of the board Kenneth E. Clark reported on the progress being made toward automation of the bank's operations.

Following the shareholders meeting, the board of directors reelected Clark as chairman of the board, George Watkins, president and cashier; Charles E. Taylor and J. David Underwood, vice presidents. Other directors are Dan J. Brosnan, Dale Engel, Robert Jessup, Edward McDaniel, Dr. Fred Mathews and Guy Thomas.

Memorial Hospital

ADMITTED

St. Joseph — Guy B. Arthur, 1316 Wilshire terrace.

Benton Harbor — Mrs. Harry Minikel, Box 500, Yore avenue.

Stevensville — Richard H. Lovell, 5841 Ridge road.

BIRTHS

St. Joseph — A girl, weighing 7 pounds, 1 1/4 ounces, was born to Mr. and Mrs. Samuel Donohoe, 2103 Hawthorne avenue at 4:50 p.m. Friday.

Benton Harbor — A girl, weighing 6 pounds, 5 ounces, was born to Mr. and Mrs. Sidney Duncan, 2197 Lawrence drive, at 4:28 p.m. Friday.

Stevensville — A girl, weighing 6 pounds, was born to Mr. and Mrs. Philip M. Broughton, 420 Lakeshore drive, at 10:05 a.m. Friday.

South Haven Hospital

SOUTH HAVEN — Patients admitted to South Haven hospital Friday were: Forrest Harper, Mrs. Vernie Bailey, Mrs. Robert Stainbrook, Mrs. Kenneth Lewis, Henry Compton, Jr., South Haven; Jana Sue Johnson, Dennis Johnson, Carlin Johnson, of Coloma, Mrs. Mary Prewitt, Covert; Harry Avery, Bangor.

NOTICE TO THE RESIDENTS OF ST. JOSEPH TOWNSHIP

Take notice that the Township Planning Commission of St. Joseph Township will hold a public hearing on March 4th, 1969, at 7:30 p.m., at the Fairplain Township Hall in said township with reference to the following changes and amendments to the present zoning ordinances of St. Joseph Township: That the following described parcels be rezoned from A-1 Residential to Light Industrial Restricted "C".

Commencing at the Northeast Corner of Fractional Section 3, Township 5 South, Range 19 West, thence South to the center line of Brown School Road; thence West to Shoreham Village limits; thence North along Shoreham village limit line to Hawthorne Road; thence East to place of beginning.

Commencing at the Southeast Corner of Fractional Section 34, Township 4 South, Range 19 West; thence West to St. Joseph City limits; thence North along St. Joseph City limit line to Hilltop Road; thence East to center line of Cleveland Avenue; thence South to place of beginning.

Please take further notice that tentative text of the above proposed changes and amendments may be examined prior to the date of hearing during normal business hours at the Fairplain Township Hall.

BY ORDER OF THE ST. JOSEPH TOWNSHIP PLANNING COMMISSION

S/Charles Tibbitts Chairman

Feb. 10, 15, 24 HP-Adv.

NOTICE OF HEARING ON AMENDMENT TO THE ZONING ORDINANCE

NOTICE IS HEREBY GIVEN that the following is a proposed Ordinance of the City of St. Joseph:

SECTION I

The Zoning Ordinance of the City of St. Joseph, adopted October 10, 1927, as amended February 25, 1937, and the zoning map of the City of St. Joseph referred to in Section 6.4 of the Code of Ordinances of the City of St. Joseph, are hereby further amended to transfer the following described lands in the City from "A-3" single family dwelling district to "C-2" restricted office/residence district:

Lot 1, Block 2, Duncan & Rosenberg's Addition to the City of St. Joseph, Berrien County, Michigan.

SECTION II

This ordinance shall take effect ten days after final passage.

NOTICE IS FURTHER GIVEN that a public hearing on the proposed amendment will be held by the City Commission of the City of St. Joseph on Monday, March 10, 1969, at 7:30 o'clock P.M., Eastern Standard Time, at which time and place all persons interested will be given opportunity to be heard. Objections to the proposed change may also be filed with me as City Clerk.

CHARLES J. RHODES City Clerk

MINUTES

REGULAR MEETING

CHIKAMING TOWNSHIP BOARD

February 6, 1969

The regular meeting of the Chikaming Township Board was held on Thursday, February 6, 1969, at the Lakeside fire station. The meeting was called to order by the supervisor at 8:00 p.m. All Board members present.

Minutes of the January 2, 1969 meeting were read and accepted.

Upon motion of Harrington supported by Meier, Mrs. Doris Bloomquist requested permission to operate a used car lot at the intersection of Red Arrow Highway and Lake Shore Road was granted. Vote: all ayes.

Representatives of the Indiana and Michigan Electric Company and Mollison, Hadsell and Cary, as attorneys for the Indiana and Michigan Electric Company presented to the Township Board a proposed franchise and requested the Township Board to adopt a resolution approving and granting to the Indiana and Michigan Electric Company a franchise as requested by the said Company and to provide for its submission to the electors for confirmation. After a full and complete discussion of the proposals, requests and conditions thereof, Harrington supported by Meier, moved the adoption of the following resolution:

WHEREAS the Indiana and Michigan Electric Company, a corporation, has applied to the Township Board of the Township of Chikaming, County of Berrien, State of Michigan for a grant of a franchise by said Township to construct, maintain and operate in the streets, alleys and public places in said township, poles, lines and appurtenances for the transmission and distribution of electric energy and to do a local business in said Township;

NOW THEREFORE, in pursuance of authority vested in the Township Board of the Township of Chikaming, County of Berrien, State of Michigan, the said Township Board does hereby grant to the said Indiana and Michigan Electric Company, its successors and assigns, a franchise to use the public streets, alleys and public places in said Township, which said grant and franchise shall be in words and figures as follows:

(The complete text of the franchise appears at the end of the minutes, and appeared as a legal notice in the St. Joseph Herald Press of February 8, 1969 pp 19)

Upon a roll call vote all members voted in favor of said resolution whereupon the supervisor declared the resolution approved and adopted.

Abrahamsen, supported by Sperry moved that the clerk be directed to cause a copy of the ordinance granting a franchise to the Indiana and Michigan Electric Company to be published within ten days after its adoption by printing same in full at least one time in the St. Joseph Herald Press, a newspaper in general circulation in said township. Upon vote being taken all members voted in favor of the adoption of such motion and it was thereupon declared to be carried.

Member Sperry, supported by Meier thereupon moved that a copy of the resolution and franchise so adopted by the Township Board and of the proceedings of this meeting be delivered by the Clerk to the Indiana and Michigan Electric Company and that said copy of such franchise and of the proceedings for the adoption of the same be duly certified by the Township Clerk as a full and complete copy of the proceedings for the adoption of such resolution. Upon vote being taken, all members voted in favor of the adoption of such motion and it was thereupon declared to be carried.

The Township Clerk thereupon presented to the meeting the acceptance by the Indiana and Michigan Electric Company of the franchise heretofore granted to it by the said Township Board, which acceptance was received and placed on file and made a part of the records of this meeting, in words and figures as follows:

To the Township Board of Chikaming Township, County of Berrien, State of Michigan:

You will please take notice that the Indiana and Michigan Electric Company, a corporation, does hereby accept in writing the franchise heretofore granted to it by the said Township Board on the 6th day of February, A. D. 1969. You will please take further notice that the grantee hereby requests that the question of the confirmation of the granting of such franchise be submitted to a vote of the electors of said township at the next regular election to be held on November 3, 1970.

Dated this 6th day of February, A.D. 1969

Respectfully submitted,

Indiana and Michigan Electric Company

By s/Andrew R. Mollison

Andrew R. Mollison, one of the members of the firm of Mollison, Hadsell Cary, its attorneys.

Thereupon Meier, supported by Harrington moved the adoption of the following resolution:

WHEREAS the Township Board of the Township of Chikaming, County of Berrien, State of Michigan, did on the 6th day of February, 1969, grant to the Indiana and Michigan Electric Company a franchise to use the highways, streets, alleys and other public places of the Township for the transmission and distribution of electricity, to set poles, string wires, lay pipe or conduits and to operate and maintain the same and to transact a local business in such township subject to such reasonable regulations as said Board shall prescribe from time to time.

NOW THEREFORE BE IT RESOLVED that the action of the Board in granting said franchise shall be submitted to a vote of the Electors of the Township at the next regular election scheduled for November 3, 1970 and that the form of the ballot and of the question shall be in substantially the following form:

OFFICIAL BALLOT

Shall the franchise, granted by the Township Board of the Township of Chikaming, County of Berrien, State of Michigan to the Indiana and Michigan Electric Company for the purpose of using the highways, streets, alleys and other public places of the Township for the transmission and distribution of electricity, to set poles, string wires, lay pipe and conduits and to operate and maintain the same and transact a local business in such Township, subject to such reasonable rules and regulations as said Township Board shall prescribe from time to time, be confirmed?

() yes

() no

BE IT FURTHER RESOLVED that the Township Clerk give notice of such election and of the question to be voted upon at said election by publication and posting as provided by statute.

On roll call vote being heard, all members present, to-wit: Meier, Sperry, Harrington, Seider, Abrahamsen, voted yes. Thereupon the Supervisor de-

clared said resolution adopted. Meier moved, supported by Sperry that a petition containing 43 names of property owners on Indian Trail Road asking that this road be improved and hard-surfaced, be accepted from Robert O. Reese, and placed on file for consideration as soon as funds are available. Motion carried.

Upon motion of Harrington, supported by Sperry the following new officers were approved for the Riverside Fire Department: Chief—Wesley Zeiger, Jr. Asst. Chief—Jack Krebs; Secretary—Martin Priest, Jr.; Treasurer—Harold Phillip; Captain—Ralph Schrophach; Lieutenant—William Priest. Motion carried.

Following a discussion of a new heating plant for the Riverside fire station it was moved by Harrington, supported by Abrahamsen that the Board advertise for bids to install natural gas heaters in the station, according to specifications on file with the township clerk. Motion carried.

The Supervisor's Plat of "Terry Lane" subdivision was approved subject to Township Board approval of further division of lots 2, 12 and 14, and Board signatures were authorized upon motion of Abrahamsen supported by Harrington. Motion carried.

Reports of the Building Inspector and the Chief of Police were heard. The Building Inspector deposited \$172.00 in fees with the treasurer.

It was moved by Abrahamsen, supported by Meier that Clarence O'Grady's bid of \$350.00 cash for the 1966 Plymouth automobile, formerly used as a police car be accepted. Motion carried.

It was moved by Harrington supported by Meier that the police bonds for Ivan Zimmerman and Alton Harrington be renewed for a period of one year. Motion carried.

It was moved by Abrahamsen supported by Sperry that Supervisor Seider represent the Township at the Water Resources Commission hearing at Kalamazoo on February 12, 1969, and that other members of the Board attend if possible. Motion carried.

The clerk presented bids for a proposed landfill operation as submitted to the Southwest Berrien County Landfill Authority, on January 3, 1969. Upon motion of Harrington, supported by Abrahamsen, the bid of Paul Oselka of Union Pier was accepted and said landfill, when in operation, designated as official for the Township, no other such operation to be allowed for the duration of the contract. Motion carried.

It was further moved by Meier supported by Sperry that the Township's representative at the February meeting of the Southwest Berrien County Landfill Authority vote in favor of the Articles of Incorporation as presented, and pledge this Township's share of the nominal organization expenses. Motion carried.

Bills as follows were allowed upon motion of Harrington supported by Meier:

The clerk was instructed to obtain the Township attorney's opinion of the proposed cemetery rules and present them for adoption at the March meeting. Motion made by Sperry supported by Meier and carried.

The supervisor was directed to make plans for the immediate development of the Township's property on Lakeside Road for cemetery use.

Upon Motion of Meier supported by Harrington, a resolution creating a township planning commission was adopted as presented by the clerk. On roll call ayes: all, nays: none.

(The complete text of the resolution appears at the end of these minutes, and was published separately by the St. Joseph Herald Press of February 15, 1969.)

There being no further business the meeting adjourned upon motion of Harrington, supported by Abrahamsen, the

next regular meeting of the Board will be held on March 6, 1969 at 8:00 P.M.

RESOLUTION CREATING A TOWNSHIP PLANNING COMMISSION

Whereas, the Township Board of Chikaming Township, Berrien County, Michigan desires to proceed under the terms and provisions of Michigan Public Act 169 of 1959, as amended, and create thereunder a Planning Commission for said township.

NOW THEREFORE, BE IT RESOLVED, as follows:

Section I. The Chikaming Township Board does hereby create a Township Planning Commission consisting of 7 qualified electors and property owners of the township under the authority of and subject to the oaths, duties and limitations provided in Michigan Public Act 169 of 1959, as amended, and the terms and conditions of the within resolution and any amendments thereto which might hereafter be adopted.

Section II. The Township Planning Commission shall consist of the following qualified electors and property owners of the township who are hereby appointed by the supervisor with the unanimous approval of the Township Board for the terms set after each members name and until a successor or successors have been appointed or terminated under the provisions of said public act 169. All terms shall commence on the effective date of this resolution.

Harold Schnabl 3 year term

Edward Anderson 3 year term

Section III. The members of the Township Planning Commission shall receive as compensation for their services, the sum of \$7.50 per meeting attended of such commission or of any subcommittee of such commission.

Section IV. All powers, duties and responsibilities provided by Michigan Public Act 169 of 1959, as amended, for zoning boards created thereunder, are hereby transferred to say Township Planning Commission, to become effective upon completion by the Township Zoning Board of any and all of its duties and obligations with regard to amendments and supplements to the township zoning ordinance presently in the process of development, with the understanding, however, that such postponement of transfer shall in no event, exceed a period of 1 year, nor be less than a period of 60 days following the publication of this resolution.

Section V. Notwithstanding the foregoing transfer, the Chikaming Township zoning ordinance and building code presently in effect within the Township shall remain in full force and effect until otherwise amended, altered or changed by the Township Zoning Board or the Township Planning Commission created hereunder.

Section VI. (1) The Planning Commission shall elect a chairman, vice-chairman and secretary from its members and create and fill such other officers or committees as it may deem advisable. The Planning Commission may appoint advisory committees outside of its membership. The terms of all officers shall be 1 year.

(2) The Planning Commission shall hold at least 4 regular meetings each year. Additional meetings may be called by the chairman or by 2 members upon written request to the secretary, who shall send written notice to all members at least 1 week in advance. All meetings shall be open to the public.

(3) The Planning Commission shall adopt rules for the transaction of business, and shall keep a public record of its resolutions, transactions, findings and determinations. It shall make an annual written report to the Township Board concerning its operations and the status of planned activities, including recommendations regarding actions by the Township Board related to planning and development.

Section VII. The Planning Commission shall make and adopt a basic plan as a guide for the development of unincorporated portions of the Township. This is the plan referred to in Act 164 of the Public Acts of 1943, as amended, being sections 125.271 to 125.301 of the Compiled Laws of 1948, being the basis on which the zoning plan is developed. As a basis for the plan, the Planning Commission is hereby empowered to (1) make inquiries, investigations and surveys of all the resources of the Township and (2) assemble and analyze data and formulate plans for the proper conservation and uses of all resources, including a determination of the extent of probable future need for the most advantageous designation of lands having various use potentials and for services, facilities and utilities required to equip such lands. The Planning Commission shall consult, in respect to its planning, with representatives of adjacent townships; with the county planning commission, if any; with any representatives of incorporated municipalities within the township; and with the regional planning commission.

Section VIII. Whenever the Planning Commission has adopted the basic plan of the township or 1 or more major sections or districts thereof, no street, square, park or other public way, round or open space, or public building or structure, shall be constructed or authorized in the Township or in the planned section or district until the location, character and extent thereof shall

have been submitted to and approved by the planning commission. The Planning Commission shall communicate its reasons or approval or disapproval to the Township Board, which shall have the power to overrule the Planning Commission by a recorded vote of not less than a majority of its entire membership. If the public way, ground, space, building, structure or utility is one, the authorization or financing of which does not, under the law governing the same, fall within the province of the Township Board, then the submission to the Planning Commission, shall be by the board, commission or body having jurisdiction, and the Planning Commission's disapproval may be overruled by resolution of the board, commission or body by a vote of not less than a majority of its membership. The failure of the Planning Commission to act within 60 days after the official submission to the Planning Commission shall be approval, and interest in the plan and shall promote public understanding and interest in the plan and shall publish and distribute copies of the plan and of any report, and may employ such other means of publicity and education as it determines necessary.

Section IX. The Township Planning Commission may make recommendations to the Township Board, to public officials (including the Zoning Board of Appeals) and to citizens regarding all matters relating to the planning and development of the Township.

Section X. The Township Board shall refer plans or other matters relating to land development to the Planning Commission before final action thereon by the Township Board and may request the Planning Commission to recommend regulations governing the subdivision of land. The recommendations may provide for the subdivision design, the standards of design and the physical improvements that may be required.

Section XI. All regulations and zoning activities of the Township Planning Commission shall be subject to the approval of the Township Board of Chikaming Township, which approval shall be required before the same becomes effective.

Section XII. This resolution may be amended or repealed at any time by a majority vote of the entire membership of the Chikaming Township Board.

Section XIII. Any amendments which may hereafter be made to Michigan Public Act 169 of 1959, as presently amended by Public Act 78 of 1962, shall hereby be deemed to automatically control the activities of the Township Planning Commission created hereunder unless the same are specifically determined not to so apply, by resolution of the Chikaming Township Board.

Section XIV. This resolution shall take effect 60 days following the publication of a notice of the same in a newspaper having general circulation within the Township.

Section XV. The Township Clerk shall, within 10 days of the passage of this resolution, transmit copies of the same to the Secretary of State for the State of Michigan and to the County Planning Commission as notice of the action hereby taken.

I hereby certify that the foregoing is a true and accurate copy of a resolution adopted by the Chikaming Township Board at this regular meeting held on February 6, 1969.

LENA ABRAHAMSEN Township Clerk

Feb. 15, 1969 HP—Adv.

ANDERSON & SMITH DRAIN

NOTICE OF LETTING OF CONTRACT OF APPOINTMENTS

NOTICE IS HEREBY GIVEN, That I, Hazen D. Harner County Drain Commissioner of the County of Berrien, State of Michigan, will, on the 18th day of February A.D. 1969, at the Drain Commissioner's Office, Courthouse in the City of St. Joseph, in said County of Berrien, at 10:00 o'clock in the forenoon of that day receive sealed bids until 10:00 o'clock in the forenoon of that day, when bids will be opened and publicly announced for the construction of a certain Drain known and designated as "Anderson & Smith Drain," located and established in the Township of St. Joseph in said County.

Said drain is divided into one Section having an average depth of 54-5/8 feet, and a width of bottom sufficient to lay 30 inch pipe.

Install about 1,403 lineal feet — 30 inch C-75, T. & G. Reinforced Concrete Pipe, 40 Lineal feet — 30 inch 16 ga. Corrugated Metal Pipe, 5 — 48 inch Manholes with East Jordan 1000-Z Ring and cover.

Also put in about 1,400 cu. Yds. of sand fill and coarse gravel and about 150 Sq. Yds. of Riprap. Said job shall be constructed in accordance with the diagram now on file in the Berrien County Drain Commissioner's Office.

In the construction of said Drain the following quantities and character of tile or pipe will be required and contracts let for same: 1,403 lineal feet — 30 inch — C-75, T. & G. reinforced concrete pipe, 40 lineal feet — 30 inch — 16 ga. Corrugated Metal Pipe, 5 — 48 inch manholes with East Jordan 1000-Z Ring and cover and steps. About 1,400 Cu. Yards sand fill and coarse gravel, 150

Sq. Yds. Riprap. Bids to be made separately on material and construction. Said job will be let as whole, in accordance with the diagram now on file with the other papers pertaining to said Drain, in the office of the County Drain Commissioner of the County of Berrien to which reference may be had by all parties interested, and bids will be made and received accordingly.

Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work, in the sum then and there to be fixed by me, reserving to myself the right to reject any and all bids, and to adjourn such letting to such time and place as I shall publicly announce.

The date for the completion of such contract, and the terms of payment therefor, shall will be announced at the time and place of letting. Any person desiring to bid on the above mentioned work will be required to deposit with the Drainage Board a certified check or cash to the amount of One Hundred Dollars as a guarantee that he will enter into contract and furnish the required bond as prescribed by law. The checks of all unsuccessful bidders will be returned after contracts are awarded. The payments for the above mentioned work will be made as follows:

By Drain Order due April 15, 1970

NOTICE IS FURTHER HEREBY GIVEN, that on Friday the 28th day of February, 1969, at Drain Commissioner's Office Courthouse in the City of St. Joseph County of Berrien, or at such other time and place thereafter, to which I, the County Drain Commissioner aforesaid, may adjourn the same, the apportionment for benefits and the lands comprised within the "Anderson & Smith Drain Special Assessment District," and the apportionments thereof will be subject to review for one day, from nine o'clock in the forenoon until five o'clock in the afternoon. At said review the computation of costs for said Drain will also be open for inspection by any parties interested.

The following is a description of the several tracts or parcels of land constituting the Special Assessment District of said Drain, viz: 35'x7', 35'x7', 1/4', 35'x8', 35'x9', 1/4', 35'x10', 1/4', 35'x11', 1/4', 35'x12', 1/4', 35'x13', 1/4', 35'x14', 1/4', 35'x15', 1/4', 35'x16', 1/4', 35'x17', 1/4', 35'x18', 1/4', 35'x19', 1/4', 35'x20', 1/4', 35'x21', 1/4', 35'x22', 1/4', 35'x23', 1/4', 35'x24', 1/4', 35'x25', 1/4', 35'x26', 1/4', 35'x27', 1/4', 35'x28', 1/4', 35'x29', 1/4', 35'x30', 1/4', 35'x31', 1/4', 35'x32', 1/4', 35'x33', 1/4', 35'x34', 1/4', 35'x35', 1/4', 35'x36', 1/4', 35'x37', 1/4', 35'x38', 1/4', 35'x39', 1/4', 35'x40', 1/4', 35'x41', 1/4', 35'x42', 1/4', 35'x43', 1/4', 35'x44', 1/4', 35'x45', 1/4', 35'x46', 1/4', 35'x47', 1/4', 35'x48', 1/4', 35'x49', 1/4', 35'x50', 1/4', 35'x51', 1/4', 35'x52', 1/4', 35'x53', 1/4', 35'x54', 1/4', 35'x55', 1/4', 35'x56', 1/4', 35'x57', 1/4', 35'x58', 1/4', 35'x59', 1/4', 35'x60', 1/4', 35'x61', 1/4', 35'x62', 1/4', 35'x63', 1/4', 35'x64', 1/4', 35'x65', 1/4', 35'x66', 1/4', 35'x67', 1/4', 35'x68', 1/4', 35'x69', 1/4', 35'x70', 1/4', 35'x71', 1/4', 35'x72', 1/4', 35'x73', 1/4', 35'x74', 1/4', 35'x75', 1/4', 35'x76', 1/4', 35'x77', 1/4', 35'x78', 1/4', 35'x79', 1/4', 35'x80', 1/4', 35'x81', 1/4', 35'x82', 1/4', 35'x83', 1/4', 35'x84', 1/4', 35'x85', 1/4', 35'x86', 1/4', 35'x87', 1/4', 35'x88', 1/4', 35'x89', 1/4', 35'x90', 1/4', 35'x91', 1/4', 35'x92', 1/4', 35'x93', 1/4', 35'x94', 1/4', 35'x95', 1/4', 35'x96', 1/4', 35'x97', 1/4', 35'x98', 1/4', 35'x99', 1/4', 35'x100', 1/4', 35'x101', 1/4', 35'x102', 1/4', 35'x103', 1/4', 35'x104', 1/4', 35'x105', 1/4', 35'x106', 1/4', 35'x107', 1/4', 35'x108', 1/4', 35'x109', 1/4', 35'x110', 1/4', 35'x111', 1/4', 35'x112', 1/4', 35'x113', 1/4', 35'x114', 1/4', 35'x115', 1/4', 35'x116', 1/4', 35'x117', 1/4', 35'x118', 1/4', 35'x119', 1/4', 35'x120', 1/4', 35'x121', 1/4', 35'x122', 1/4', 35'x123', 1/4', 35'x124', 1/4', 35'x125', 1/4',
